# INTRODUCTION OF JUDGE

## **Petra Ulrichová Plisková (Czech republic)**

Allow us to introduce the judge, breeder and groomer Petra Plisková Ulrichová, who accepted our invitation to judge at Danube Poodle Show 2024. Petra has been the owner of Earl's Legend poodle kennel since 2003, and she describes her refereeing approach as follows:

Since 2012, I have been a judge for the poodles and judged many club, national and international shows in the Czech Republic, Denmark, Hungary, Germany, Poland and Slovakia.

I like to judge poodles because I grew up among them. For me, a poodle in the show ring must be well-groomed - including the top knot. But I prefer movement and body building over grooming. Another aspect for me is the temperament of the dog, which should be cheerful and friendly. What I appreciate most is the relationship between the poodle and its owner, which is reflected during the judging. I condemn the bad and reckless handling of the dog, hanging on a choke collar and excessive movement speed when showing.
